

CALL FOR PAPERS/PRESENTATIONS

Aerospace Systems and Technology Conference

6-8 November 2018 | London, UK

The Aerospace Systems and Technology Conference Technical Program Committee is looking for submissions from industry and academia. Abstracts should showcase advancements and innovations that meet the expectations and will improve job performance in the brake community.

Topics Under Consideration

- Integrated Propulsion, Power and Avionics
- Power Systems
- Avionics Systems
- Aerospace Systems and Operations
- Autonomous Aircraft & Passenger UAVs
- Unmanned Aerial Systems
- Future Configuration Development, Aerodynamics, and Performance
- Propulsion
- Connected Aircraft
- Electric Aircraft
- Urban Air Mobility/Flying Cars
- Industry 4.0

Abstracts must be submitted online via website page to only ONE session. Offered papers shall not have been previously published; and if accepted, contributors will not release their paper for publication through other media.

- Paper acceptance will be based on organizer moderated peer review of a review ready manuscript.
- Refer to the author resources site at volunteers.sae.org/authors.htm for other useful information in preparing your paper.
- Deadline for submitting paper offers **May 20, 2018**
- Review Ready Manuscripts due to session organizers **July 22, 2018**
- Final Manuscripts and copyright assignments due to SAE **September 28, 2018**
- Authors will be charged a nominal registration fee for attendance.
